Patty,

We have had a fun year considering we had to live through Boschoology, a history & a year with Allison. As I sit here writing & the Brass Choir kills Pomp & Circumstance the memory of this year at Great America comes to mind. I wonder why? Had the most fun, however, at Billy Joel (you know I can't keep my mind on school for too long.)

Seriously, Pat, you're a swell gal & I really enjoyed you in 1st hour study hall. Keep up the good work ~~kid~~ kid! Thanks for sending me a card as I lay 'on my death bed this winter. I appreciated it even if it had a pheasant on it. Call me this summer, Come over this summer, or I will kill you, son.

Your friendly friend,

~~Madge~~

Patty (I hope you're in a "y" mood because I like it spelled better that way),
 It is truly an honor to write in a State soloist's yearbook. (I hope this won't
 cost me anything!) We really did have a lot of classes together this year,
 and I must say for the most part they were really fun! Do you realize
 that we were together **JV** almost five hours each day.
 (A real make it in Trig. sure got year. Right, Patty? (Ha, Ha!))
 bummers, right!) Even though we complained a lot, we did
 through them all. I hope we're together
 next year so we can keep each other awake! We
 enough practice
 (Do you remember that

 from the State Solo and

SEMI-ANNUAL ACTIVITY

We moved together, we moved alone, From the simplest club activities to the highest school honors, we plunged into life according to the direction of our own movement. No abstract knowledge could be more important than involvement with more life, reaction with people, or pursuits of interest when rhythms intersected and patterns continued beyond the narrow confines of traditional academics.

Badger Girls/Badger Boys

Mayville's representatives to Badger Boys and Girls State were Sandy Weinberger, Sue Bubolz, Glenn Luebke, and Brian Emmer. Badger State is a one week session held each summer that shares with students the duties, responsibilities, and privileges of citizenship. Badger Boys State, which is held at Ripon College, is sponsored by the American Legion. Girls State, sponsored by the American Legion Auxiliary is held at the University of Wisconsin-Madison.

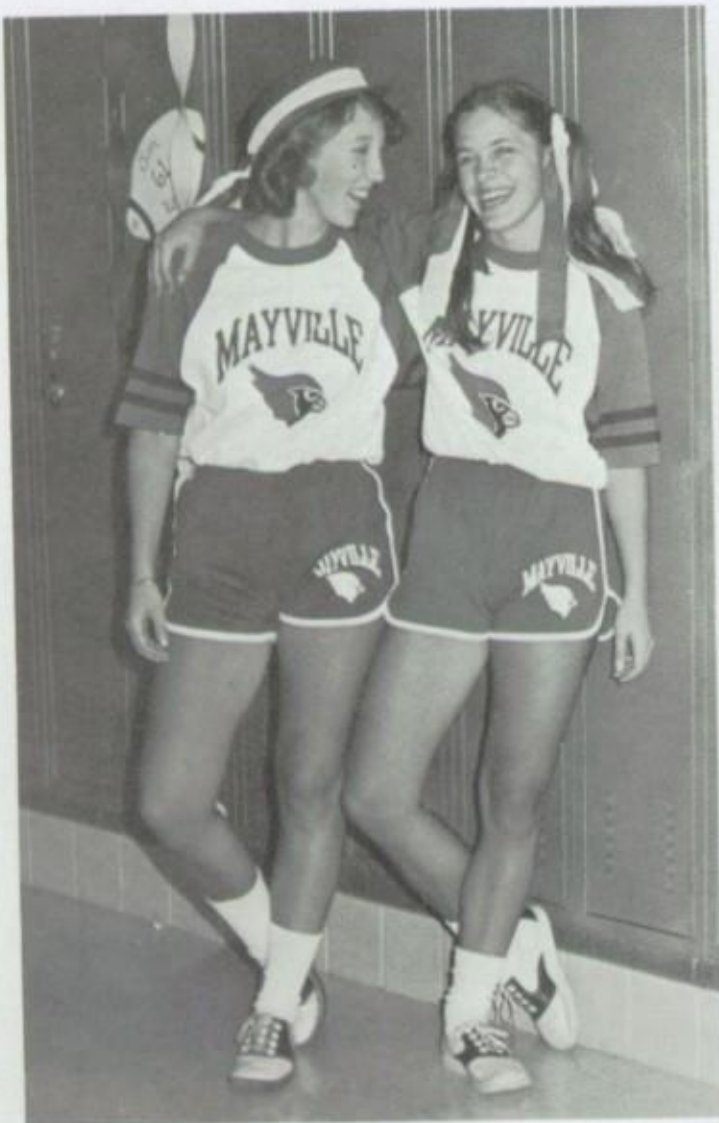

DAR Good Citizen Award

Sandy Weinberger was chosen as this year's recipient of the DAR Good Citizen Award. The award is given in recognition of a student's dependability, service, patriotism, and leadership.

Homecoming 78

Homecoming 78

Through Homecoming '78, MHS brought new life to the old tradition of celebrating the efforts of the home team. In the spirit of the latest movie hit "Animal House," Monday was declared Toga Day. Tuesday was Hat Day and Wednesday, Twin Day. Thursday was Freak Day and, in keeping with the past, Friday was Spirit Day. On Wednesday night, MHS held its second annual sock hop, where for the price of a costume, you could dance to the sounds of Elvis' "Love Me Tender" or the soundtrack for the movie "Grease." Thursday the gym filled for the annual pep rally which was followed by a fantastic display of fireworks and a spectacular bonfire. In addition to Friday's usual parade, the Student Council sponsored a snake dance through town before the game. Unfortunately, a victory was not in store as the Cards lost a heartbreaker to Pewaukee. To end a perfect week, Kindra Czerwinski was crowned queen of the Homecoming Festivities at Saturday night's dance.

Dust in the Wind
Kansas

I close my eyes, only for a
moment and the moment's gone
All my dreams, pass before
my eyes a curiosity
Dust in the wind, all they
are is dust in the wind
Same old song, just a drop of
water in an endless sea
All we do, crumbles to the
ground though we refuse to see
Dust in the wind, all we are
is dust in the wind
Don't hang on, nothing lasts
forever but the earth and sky
It slips away, all your money
won't another minute buy
Dust in the wind, all we are
is dust in the wind.

Dust in the Wind

On the night of April 22, 1978, the Class of 1979 presented its Junior Prom "Dust in the Wind." The juniors chose to hold it at the Rock River Hills Country Club in Horicon. The court consisted of King Dale Spars and Queen Dennette Gourlie, Greg Smith and Kindra Czerwinski, David Green and Lisa Kehrmeier, Terry Mueller and Sharon Keller, Rich Puls and Pam Froh, Scott Stellmacher and Bridget Konings, and Chris Kahlow and Brian Zirbel.

Class Gets Off To Good Start

Recognize any of these people? These are some of the members of the Class of '79 as they finished the second grade. That was ten years ago, and now, in 1979, we will graduate from high school. How many can remember what school was like then? In our grade school years, we had many dreams of what we were going to do when we "grew up." Now it is time to fulfill those dreams. Do you think you can?

79'ers Excell In The Sports Arena

In the four years that the Class of 1979 has been at Mayville High School, it has seen many of its members stand out in the area of athletics. Our freshman year saw Sharon Keller advance to state competition in track. That year also saw Kim Zier cheer, as a freshman, on the Varsity Cheerleading Squad. In our sophomore year, Brenda Gassner was awarded the Outstanding Cheerleader Award at the annual athletic banquet. Our Junior year brought much excitement to the whole school as the boys Varsity basketball team, which included many Juniors, won the Regional Basketball title and advanced to Sectional competition, in which they placed second to Elkhorn. As Juniors, Dale Spars and Dan Stanley reached state competition in track, with Dale participating in the shotput and Dan in the high jump. That year also saw Dale Spars receiving the boys' Cardinal Award and Chris Kahlow receiving the girls'. As Seniors, we also excell in the sports arena, for the good of the school and ourselves.

Juniors Cheer To Spirit Jug Victory

As a class we always had a lot of spirit, but in our Junior year we possessed just a little more. Using "Star Wars" as a theme for our float, we captured the first prize in the Homecoming Parade. We also accumulated enough points during the Homecoming Spirit Week to win the Spirit Jug Award.

The "Class Of 1979"

Class Of '79 Shows Their Strength In Music, Arts

Just as the Class of 1979 excelled in sports, we also had many shining stars in music, drama, and art. As a freshman, Kim Zier advanced to state music competition with her tenor saxophone and by doing so, became the first freshman from Mayville to make it that far. As a sophomore, Tom Foster landed the lead in the spring play "Exit the Body," only to break his leg the week before. As Juniors, twenty-three members of our class were inducted into the National Honor Society. That year also saw three band members, Kim Zier, Barb Emmer, and Susan Bubolz, elected to the Scenic Moraine Conference Honors Band and one choir member, Kevin Laufenberg, elected to the Honors Choir. That was also the year both Greg Smith and Barb Emmer took their instrumental solos to state. As Seniors, many of our classmates hold posts as officers of clubs or work in such publications as the yearbook and the newspaper.

Prom, Homecoming Go Great

The Class of 1979's Junior Prom took on a different look as the class decided to hold it at the Rock River Hills Country Club in Horicon. With guidance from Advisor Karen Weller, we were able to raise enough money to put on one of the best proms in school history.

Successful was also the word to describe our class' efforts in putting on Homecoming 1978. With help from the Student Council, the Seniors purchased fireworks and also persuaded the School Board to reinstate the bonfire for this year. When it was all over, the school got many compliments, even a special letter of congratulation from the School Board.

Rookie Freshman Say "Maybe Next Year."

As freshmen, usually the only things you are good for are getting yelled at and being pushed around by the upperclassmen. Well, if there were any good things in our freshmen year, it surely wasn't Homecoming. As typical newcomers to high school, we didn't know a lot about building floats and, as a result, placed last in the competition. But that didn't disappoint us. When asked what we thought about it, we said, "Maybe next year."

Senior Thought For The Day

 Patty: It was interesting in Biology with you, Ann and Connie. You all acted sort of strange at times. I didn't have many classes this year with you. (Doesn't everyone say that.) I hope to have more classes with you next year. I thought that you were always were a good girl but after hearing you and Connie talk I decided you might not be as innocent as I thought. Have fun this summer. Carol Preston

A large group of students, likely a school sports team or a group photo, are posed outdoors on a grassy field. The students are arranged in several rows, with some standing and some sitting or kneeling in the front. They are dressed in casual attire typical of the late 1970s or early 1980s, including sweaters, jackets, and jeans. In the background, there are dense green trees. On the right side of the image, a blue car is partially visible, parked on a paved area. The overall scene is a classic school group photograph.
